Please read and follow the updated instructions for the 2022 IDHI Stroke Program Video Consult Training on LOD (learn on demand). This class is required annually for nurses participating in the IDHI Stroke Program that would potentially do a Video Consult exam.

The user must create a LOD (Learn on Demand) account or use their existing account. Please be sure to **keep your password** for the next time you need to login to LOD. This will ensure access to any courses you have completed within the LOD system. Most people use their email address as the user name. There is no charge for this account.

Got to **learnondemand.org** (using Google seems to work best). Log in to your account.

Once you are logged in:

1. Click the word Search in the red banner at the top of the page.
2. Type in IDHI Stroke Program. Click the magnifying symbol. This should allow you to see and choose the 2022 IDHI Stroke Program Video Consult Training. (**DO NOT** Pick the one with the word **Annual** in the title. This is not the correct class. (If asked for an access code, you have chosen the wrong class).
3. When it opens, click the red Launch/Register buttons.
4. It will open a page to enter your information.
5. Fill in the appropriate information: YOU MUST PICK THE HOSPITAL FOR WHICH YOU ARE TAKING THE TRAINING. This is how reports are generated allowing proof of completion in the event your quiz result page does not print. If your site/agency is not on the drop down list, you may use the "other" option and fill in the text box with the name of your agency. Fill out any open box if an "other" option is used. When done click Register.
6. Use the Continue button to Navigate through:
    *   Activity Overview: View this page then click Continue button. This will take you to the Pre-Assessment. You must complete this in order to continue.
    *   Pre-Assessment: Once completed, click Submit in lower right corner then click Continue. Your score will appear at the top.
    *   Activity Material: **Click the 2022 IDHI Program Video Consult Training**
        The video will load. Click the Begin Training Button. THERE ARE REQUIRED TEST QUESTIONS EMBEDDED IN THE VIDEOS. *If you fast forward, you will miss these* questions.

When the video ends, the Quiz results page will pop up. If you passed, click the yellow print results button, enter your name, and print your results. If you need to review or retry you may choose those options. Please keep a copy of the printed results page for your records, and submit a copy to your director for proof of completion. Once you have this printed keep for your records and submission to your director for proof of completion. You may now click Finish and exit the program.

This course can be used as refresher training any time throughout the year.
